

Master thesis

Superconducting Phase Stiffness and Coherence Length From a Finite Momentum Pairing Constraint

Hamburg, April 2025

Tjark Sievers (7147558) Department of Physics

First reviewer: Prof. Dr. Tim Wehling

Second reviewer: Prof. Dr. Annica Black-Schaffer (Uppsala University)

Even Einstein [...] had attempted to construct a theory of superconductivity. Fortunately, I was unaware of these many unsuccessful attempts. So when John invited me to join him (he, somehow, neglected to mention these previous efforts), I decided to take the plunge.

Leon Cooper "Remembrance of Superconductivity Past", BCS: 50 Years [1].
